

# Holiday Food & Toy Drive

Each day our team gives 100% of their love, care and heart to our patients but this holiday season we are going to reach out to help even more of our community! That's right, this holiday season we are going to put our good will, resources and care into helping not just our patients but our community as a whole.

**WHEN:** From today through December 24th

**WHO:** YOU! Everyone is encouraged to give, more participation means we can make more families merry this holiday season.

**WHAT:** You are encouraged to donate food, clothing, household goods and toys that will then be distributed to local community groups in Leesburg, Richmond and Springfield. This year, we are proud to support The Interfaith Alliance in Leesburg, The Central Virginia Food Bank in Richmond and ALIVE! in the Springfield area.

In addition, BVNS will be generously donating at each location to support this program and as a thank you to our staff, our community and our referral partners!
